## Environmental Impact Assessment and Regulations

Please note the attached and following information from the Farm Advisors team;

'The National Park Authority in partnership with Natural England is seeking to increase awareness about the agricultural Environmental Impact Assessment regulations, both amongst landowners/land managers and the general public, and we would be grateful if you could use every opportunity available to publicise these regulations using the flier attached. The regulations are designed to protect features and landscapes of environmental importance from agricultural intensification but they are poorly understood and consequently priority wildlife habitats, historic landscapes and species of conservation significance are being lost.

If you would like further information or advice please contact the National Park Authority Farm Advisers at [farming@peakdistrict.gov.uk](mailto:farming@peakdistrict.gov.uk) or on 01629 816270'

## Parish Statements

I would also like to remind parishes of the link to the individual parish statements circulated in the latest Bulletin <https://www.peakdistrict.gov.uk/looking-after/living-and-working/your-community/village-plans> Please email any comments on the statements to [policy@peakdistrict.gov.uk](mailto:policy@peakdistrict.gov.uk) If you require individual PDF copies to be emailed to you please email the Policy team and this can be organised for you.

STAFFORDSHIRE COUNTY COUNCIL ROAD TRAFFIC REGULATION ACT 1984 (AS AMENDED) ROAD TRAFFIC (TEMPORARY RESTRICTIONS) ACT 1991 DIVERSION OF VEHICULAR TRAFFIC PARSONS LANE, GRINDON MOOR NOTICE is hereby given that the Staffordshire County Council on 11 June 2019 made an Order the effect of which will be to prohibit any vehicle from proceeding in that length of Parsons Lane in Grindon Moor from its junction with B5053 Onecote Road to its junction with Titterton Lane unless the vehicle is being used in connection with the works; or unless the vehicle requires access to premises on the length of road or is being used for police, fire brigade or ambulance purposes. An alternative route for traffic is available via B5053 Onecote Road, A523 Ashbourne Road, Bromley Edge Lane, Martinslow Lane, Woodisse Lane, Parsons Lane and vice versa. For more information, visit: <https://roadworks.org?tm=113312294>. The order will come into operation on 18 June 2019 and the said works will commence on or as near as practicable to that date. It is anticipated that the works will be completed by 19 June 2019. The Order will remain in force for a period of 18 months, or until the carriageway resurfacing works, which it is proposed to carry out on or near the road have been completed, whichever is the earlier. Date: 12 June 2019
